

GOD'S WORD IN GOD'S WORLD

We teach the Bible as the written word of God, given to us as God's gift. But we don't do so in a vacuum. God's Word is written for use in the real world, because it is His world.

AMERY FREE LUTHERAN CHURCH

We are excited to host this event that focuses on equipping a believer to defend their faith. We invite you to join us!

SESSIONS

9:00 am--The Right Use of Reason

Why we need to engage our brains, and why we need to be careful when doing so.

10:15 am--What We See

During our Worship Service we will hear Pr. Mobley preach on Hebrews 2:5-18 and answer the question: What happens when what we see doesn't match what we believe?

1:00 pm--Five Questions Everybody has to Answer

If you doubt, you're not alone. Everyone doubts, and getting rid of Jesus isn't the solution. Here are five questions that every person has to answer, and how Christ answers them best.

2:00 pm--How to Talk About Almost Anything (even if you don't understand the topic)

Sometimes a few tactics help keep us in control of our emotions as we believe, teach, and confess the truth. This session will help you have conversations in your head, with your friends, and even with people who disagree with you vehemently.
